All mehndi in this document was done by Darcy Vasudev, owner.

Congratulations... you're getting married!

Organizing a destination wedding can be one of the most challenging things you'll ever do, and we are thrilled that you are looking into bringing along a henna-professional to provide natural, traditional designs for you and your guests.

Here you will find several different options for bridal mehndi and parties - there is something to suit every budget and style! Henna Lounge uses only 100% organically grown henna, lovingly hand-prepared for your special event.

I hope to hear back from you soon, but if I don't, then I would like to take this opportunity to wish you all the best for your wedding day.

Happy planning,

Darcy Vasudev

"Blushing Bride" Bridal Mehndi

\$400 includes traditional or contemporary design on the palms and backs of the hands, ending 4-6" past the wrist. Designs on feet extend 4" past the ankle. Please allow 4 hours in your schedule for this mehndi to be completed.

"Bollywood" Bridal Mehndi

\$600 includes traditional or contemporary designs on the palms and backs of the hands, ending at the elbow. Designs on feet extend to the shins. Please allow 6 hours in your schedule for this mehndi to be completed.

"Mehndi Party" - Hourly

\$125 per hour for Sangeet, Mehndi Party, or Groom's Party. On average, 15 "strips" are completed per hour extending from wrist to the end of one finger.

"Token" Mehndi Party

If you would like to limit the number of designs each guest receives, try our token option. Pre-purchase 25 of our beautiful tokens is \$250. One token is good for one design (4 inches round, or a 6 inches long "strip"). If you have special guests who you'd like to receive more henna, simply give them more tokens.

"VIP" Mexico Package

\$1799 - Includes "Bollywood" Bridal Henna on day one and a 4 hour mehndi party on day two. The VIP package includes artist's airfare to any International airport in Mexico, as well as artist's accommodation and ground travel, so you don't have to worry about a thing. Minimum 3 month advance booking required.

"Travel Fees and Terms"

Destination Events - Client pays for airfare, transit to/from airport, accommodations, and any venue-imposed fees (such as a day-pass), with the exception of the VIP Package.

Minimum Booking - \$500 in services per day. If you are booking more than one day of service, the days must be consecutive, unless otherwise noted.

Mehndi info - Bridal mehndi should be scheduled for 2-3 days prior to the wedding. In order to get the darkest color, please avoid swimming for 24 hours after henna application. If you swim we can not guarantee the color results.

Event schedule - We (and most resorts) require all mehndi services to be completed by midnight, so please schedule accordingly. For bridal mehndi, a daytime application in a quiet, environment is recommended.

Mehndi Party - We require a spotlight for evening events, a small table, and at least 2 seats in an area protected from wind.

Lateness - Henna Lounge pledges to be ready to work on time. We expect the same from you. We have a 15 minute grace period, after which you will be billed \$125 hour for waiting time.

Overtime - If you would like to extend your service beyond the original booking contract you will be billed \$125/hour for additional hours worked. Overtime is subject to the availability of the artist and extra supplies.

Contact Us!

Please don't hesitate to contact us with your questions. You may also request a custom event quote, or propose your unique idea. We'd love to hear what you have to say.
